Gotta Dance 2012

Rapture Classes: Minis, Juniors, Teens, & Seniors

Each level will have 16 classes over the course of 3 days. Juniors, Teens, and Seniors will have an hour and a half warm up each day, followed by full hour classes. (Yes, we added a Teen group to break up the Junior room.) Minis will have an hour warm up each day followed by 45 minute classes. All levels will see each instructor twice and all classes marked with * on the schedule will perform in the in-studio showcase.

Registration

The **ONLY** way to register this year is online! Please visit: www.rapturedanceintensive.com and click on upcoming events.

Lunches

All dancers will break for lunch at their scheduled time. Lunch and a drink will be provided each day.

Rapture Experience

Juniors, Teens, and Seniors will spend 5 hours learning a choreographed piece set by 2 Rapture instructors. This piece will be exclusive to each group and will performed at Coalesce.

Mini Mystery Class

Minis will have Rapture's annual Mystery Class! Parents look for a package with instructions that will be sent home the second day of the intensive. This year's hint for our theme:

Help Wanted!

If anyone has experience being an "Artist", please ... We need your help!!! There is a new show coming to town! While packing for their trip, the most valuable piece of the show was destroyed. They are scheduled to perform in July, and they asked if we could find professional artists to help! We need creativity, color and a lot of helpful artistic hands!!!

Showcase

We will have an informal showcase on the final day of Rapture. The staff will open the showcase then the kids will share their combos with you. All of the classes with an *, will be the combos performed at the showcase.

Auditions

We will be auditioning on the final day for the Rapture Intensive Scholarships, our 2012 MVP and the Verve. Minis will not be eligible for MVP or the Verve.

Verve July 25 @ Mary Skiba's

The Verve is an advanced intensive geared toward serious students looking to take their art to the next level. 30 students from Gotta Dance will be hand-picked and invited to participate.

Coalesce July 26 @ HFII High School

Coalesce means to join or collaborate, which is exactly what we do!! Gotta Dance, Mary Skiba's and Adagio will come together and spend an evening celebrating dance, the community and the joined experience of Rapture Dance Intensive. The Juniors, Teens, and Seniors will perform their Rapture Experience, 2 competition pieces from each studio (by invitation), and our staff will perform. The show will be held at Henry Ford II's Theatre on July 26th at 6:00pm. Tickets will be \$15.00 and will be sold at each intensive. They will not be available for purchase before your intensive begins.

City Lights

Last year, our biggest complaint was that the kids did not get to see the staff perform. So we decided to put a full show together separate from Coalesce. The show is titled "City Lights" and is based on Charlie Chaplin's 1931, Silent film, "City Lights". The Rapture Staff will be performing 2 shows at Henry Ford II, 11911 Clinton River Rd Sterling Hts, MI 48313:

Thursday July 26th 8:00pm (after Coalesce)
Friday July 27th 7:30pm

Tickets will be sold for \$20.00 with a Thursday only discount for Rapture families. For every Coalesce ticket purchased, you will get \$5 off of a City Lights ticket.

There will be no discounts for Friday show. Tickets can be purchased online soon.

Thursday night tickets can be purchased at your intensive only.
